

Music Web Application using Django Framework

OUTPUT

A screenshot of a web application's login page. The page has a dark gray background. In the center, there is a white rectangular card with rounded corners and a subtle drop shadow. At the top of the card, the word "Login" is written in a large, bold, black sans-serif font. Below this, there are two input fields. The first field is labeled "Username" in a small, gray font, with the text positioned above the input line. The second field is labeled "Password" in a small, gray font, also positioned above the input line. Below these two fields is a dark gray button with rounded corners, containing the word "Login" in a white, bold, sans-serif font.
